

# The Five Priorities of Life

## Beles Christian Education Fund

We believe that life works best when we have our priorities in order. Everyone needs a set of guiding principles to live by and at the Beles Christian Education Fund, we believe that these five priorities will help build a stronger faith, community, and nation. We are proud to support organizations that teach and trust in these guiding principles.

1. GOD
2. FAMILY
3. WORK
4. CHURCH & CHARITY
5. FREEDOM & LIBERTY
