

AID FOR UKRAINE

The following organizations are providing direct aid to Ukraine:

- Care

Working to provide food, water, and hygiene kits to those in Ukraine.

- Doctors Without Borders

Has teams in Ukraine (and surrounding countries) and are sending staff and medical supplies.

- Save the Children

Ukrainian Relief Fund supports humanitarian programs aiming to reach 3.5 million children and their families with immediate aid and recovery.

- International Rescue Committee

Working in Poland to aid displaced families.

- Direct Relief

Working directly with Ukraine's Ministry of Health to provide requested medical aid and long-term support.
