UNIQUE NEEDS

Food & Emergency Services

Food & Gift Cards, Rent Assistance, Senior Meals, Transportation

"I am very grateful for the financial help I received. You helped me a lot when I needed it the most. I was in the worst time of my life, my health was very bad and my Head Start social worker told me about some help available for me and my daughter. Thanks to that help I can keep a roof for my daughter and me. Thank you very much!" - Metropolitan Family Services Client

Mental Health Services

Counseling, Youth Programs, Crisis Support, Substance Abuse

"Data collected between March and May of 2020, showed a 50% increase in the number of young people accessing the Crisis Text Line. The Stress Relief Care Packages provided creative, stress-relieving outlets for 1,500 students to utilize during a time of increased isolation and screen-based learning." - KidsMatter

Housing Support

Emergency Shelter, Deep Cleaning, Case Management, Internet Access

"Continuing to divert people from homelessness when possible during this health crisis is a challenging process, yet with support from DuPagePads in partnership with the DuPage Foundation, clients rise above difficult circumstances to achieve what they may have doubted was ever possible." - DuPagePads

Healthcare Services

PPE & Cleaning Supplies, Primary Care, Insurance Support

"The funds that DuPage Foundation generously provided to ACCESS have helped us meet our ongoing need for PPE so that we can stay open and provide integrated primary and behavioral health services to our patients in DuPage County." - Access Community Health Network

Technology for Virtual Health & Education

Laptops, Zoom Licenses, Teletherapy

"NEDFYS was able to convert 70% of our existing clients to telehealth. Without this option, critical mental health services for vulnerable individuals and families would have been discontinued indefinitely. Re-engaging these clients once the shelter-in-place order was lifted would have been extremely difficult."

- Northeast DuPage Family and Youth Services

Employment & Services for Special Populations (youth, seniors, disabled)

Job Counseling, Senior Care, E-Learning Childcare, Program Capacity

"During this pandemic, Tri-Town gave my family peace of mind knowing our child had a safe, educational and fun environment to go to while my husband and I were at work. I don't know what my family would do if this program wasn't available. Thank you, DuPage Foundation COVID-19 Response Fund."

- Tri-Town YMCA Parents

Assistance for Arts Organizations

Virtual Performances & Youth Programs

"The project enabled us to continue to spread the joy that music brings to our audiences, despite being unable to rehearse and perform in-person due to COVID-19. We reached more than double the number of people who typically attend our in-person concerts." - Glen Ellyn-Wheaton Chorale

DuPage Foundation Staff

I am amazed at how you and the staff have coped with the pandemic and then gone beyond that to be a contributor to solutions in the community. - Jim & Ruth Ann Snodgrass

As we looked around, your COVID-19 Fund seemed to be the quickest, **most efficient and effective way to get money into the community where it was needed most.**

Thanks for providing the vehicle and doing the work.

- Jim Mensching, President, Itasca Bank & Trust Co.
