“ I have been a DuPage Foundation supporter for years and there is no entity – not one! – that is closer to two important groups of people in DuPage County: those who have the means to give and those in need. This knowledge of our community makes DuPage Foundation the single best resource available for local philanthropists.”

- John W. Vires, CFA, CFP, Mathieson, Moyski, Austin & Co., LLP
Dear DuPage Foundation Friend,

Thank you for the opportunity to present DuPage Foundation’s 2020 – 2024 strategic plan to raise the quality of life throughout DuPage County.

In the past five years, we have doubled our assets, doubled our cumulative grants and responded by nearly doubling our staff to support this growth by helping area residents and organizations realize their charitable goals, providing impactful support to our community’s not-for-profits and fostering key partnerships to address issues affecting our community.

Since its inception, the Foundation has grown to more than $130 million in assets and awarded more than $65 million in grants to not-for-profit agencies serving the residents of DuPage County and beyond. As DuPage County’s philanthropic leader, we:

• Teach those who don’t yet know the joy of giving how to give
• Show donors how to endow their current giving, turning annuals into perennials
• Inform those who give regionally, nationally and internationally about their opportunities to make a difference locally
• Build the capacity of our not-for-profit partners
• Prepare professional advisors for their client conversations around charitable giving

Thank you for your interest in our work. We invite you to partner with us in realizing this plan for our community, so that we can SEE MORE IMPACT together.

Sincerely,

Nathaniel P. Wasson

**$75 Million Goal**

A feasibility study conducted by CCS Fundraising in 2019 concluded that DuPage Foundation could raise $50 million over five years. With additional resources dedicated to the effort, $25 million more could be possible. A Strategic Plan Implementation Fund was created with a budget of $2.5 million which is 10% of the additional $25 million we hope to raise, using those funds. The first three years of funding has been secured with a balance of $550,000 still needed to cover the last two years.
